WALKING TOUR - SEA SHORE - LA JOLLA

October 19, 2021

Meet 10:30 AM - Depart 11:00 AM

We are planning a walking tour of the most popular part of La Jolla, its sea shore. La Jolla gets about one million visitors per year and all tend to gather at this area. The main attraction is the sea lions; Point La Jolla is the largest mainland sea lion rookery in California. The pupping season ends in October. Other points of interest are the children's pool where the seals are pupping, the large Scripps Park, La Jolla Cove and the rugged shore with hundreds of cormorants and pelicans. The walk is easy and flat and will last about one hour with stops. Due to its popularity it is almost impossible to find parking in this area. Therefore we ask everyone to carpool. The walk starts at 11:00 AM at the children's pool opposite Casa de Manana. Please arrive before 10:30. For those who do not find close parking we have a plan B. Unload your people at the children's pool gazebo and park your car at the Recreation Center on Draper and Prospect. Parking there is available but limited to two hours. Harry Stovall will take the drivers back to the children's pool and after the walk take them back to the Recreation Center. If you are so inclined you also can park and walk from there. After the walk we plan to have lunch in La Jolla.

CHICAGO THE MUSICAL IN CONCERT WITH THE SAN DIEGO SYMPHONY

Saturday, October 23, 2021

7:30 PM - The Rady Shell at Jacobs Park

\$43.00 - Bridgeview Left - Individual Seats in theatre type seating - SOLD OUT

This will be another wonderful opportunity to experience the new Shell downtown.

Chicago The Musical is a sensational tale of sin, corruption and all that jazz with a ripped-from-the-headlines story about fame and scandal, and one show-stopping song after another. Rob Fisher and Tom Thompson created this full-length concert adaptation featuring a five-member cast of seasoned Broadway performers and a new orchestral arrangement for a full symphony orchestra, including every song from the original score and interstitial spoken dialogue. No outside food or beverages allowed but you can purchase on site.

Hello TPSC Friends,

We have a beautiful and architecturally stunning new building in San Diego called the Rady Shell.

Let's explore it while it is open to the public, the symphony rehearsing and not having to pay an entrance fee.

Parking is right outside the Shell - \$1.75 an hour for maximum of three hours.

Lunch is optimal afterwards at the Crab Shack right outside the Shell or in Seaport Village. We can discuss this. Use public transportation if you like. Please let Ingrid know if you would like to join us.
