

## March News

### **PRESIDENT'S CORNER**

Hello All - We have made it to March and spring is coming. We are happy to report that we have not heard of any current members having health issues with Covid. It looks like things are definitely looking up on the Covid front as we go into March. We are considering starting back at the Bay outdoors in April for the General Meetings with a time frame of 1:30 - 3:30 PM. Folks seemed to like the afternoon meetings last year. We would welcome any comments on this time frame. Our HH in March is at Khan's Cave and we have added a Coronado Ferry Landing concert - if you would like to socialize - join us. The Wednesday Walks are another great way to socialize. We are also adding a play at North Coast Rep in May - see the article below. As always we welcome any suggestions for events for the club. Feel free to contact any board member. In addition, Judy Fontanella has updated the club website - [www.tpscscd.org](http://www.tpscscd.org) - we appreciate her time and efforts.
