APRIL 2011

**49th ANNIVERSARY
1962-2011**

President's Corner

When was the last time that you took a train and left your car behind? Our ski club is starting a new adventure. We are planning a train ride with an overnight stay in Carpinteria near Santa Barbara. The idea came from **Vonnie Varner** and **Roy Martins**. **This is not an official TPSC trip**, however, it is open to all TPSC members. It is independent travel in a group and you will need to make your own arrangements for hotel, train etc. Details are in the newsletter.

I always liked train rides. Since we grew up in a rural area, we had to take a train to high school every day. Later when I went to the University of Vienna, my train rides became very long from Northern Germany to Eastern Austria along the route of the Orient Express. When possible I try to get a window seat and admire the scenery along the way. That is why I am looking forward to this trip along the beautiful California coast line. For me it is the voyage rather than the destination.

Hobe

The TPSC Board is preparing for our 50th Year Anniversary. We are looking for volunteers to serve on the committee for this Celebration. Anyone with ideas or suggestions, please contact a Board Member.

In 2012 our club will be 50 years old. That's right, our club was born back in 1962 and meetings were held at the Torrey Pines Inn in the Lantern Room. Dues were \$5.00. The President was Jack Marland, Vice-President - Les Stypinski, Secretary - Hank Anthony, Treasurer - Mary Jane Gerber, Publicity Chair - Helen Chandler, and John Fatio - Race Chairman. That year the San Diego Council (of Ski Clubs) held their annual gala, called the Sno Ball, at the El Cortez Hotel in the Cotillion Room. They danced to the sounds of the Paul Ravino Orchestra and crowned the queen from a court of five candidates representing San Diego Ski Club, Convair Ski Club, Astro Ski Club, Don Diego Ski Club and Torrey Pines. Our candidate was Martha Erwine. Astro's candidate - Virginia Mateja (the current Virginia Cobb from Don Diego Ski Club) was named Sno Queen.

Most of us remember 1962, some better than others. Here are some events that happened in 1962: First Lady Jacqueline Kennedy took television viewers on a tour of the White House. While aboard Friendship 7, John Glenn became the first American to orbit the Earth, three times in four hours and fifty-five minutes. The S. S. Kresge Company opened its first Kmart discount store in Garden City, Michigan. The 35th Academy Awards ceremony was held; Lawrence of Arabia won Best Picture. In Los Angeles, the first MLB game was played at Dodger Stadium. Frank Morris, John Anglin, and Clarence Anglin became the only apparently successful escapees from the Alcatraz Island prison. (There is no conclusive evidence that they survived the attempt). The first Wal-Mart store opened for business in Rogers, Arkansas. American artist Andy Warhol premiered his Campbell's Soup Cans exhibit in Los Angeles. AT&T's Telstar, the world's first commercial communications satellite, was launched into orbit, and activated the next day. A British music magazine wrote that, "A Liverpool group, The Beatles, have recorded 'Love Me Do' for Parlophone Records, set for October 5 release." The first black student, James Meredith, registered at the University of Mississippi, escorted by Federal Marshals. Johnny Carson took over as permanent host of NBC's Tonight Show, a post he would hold for 30 years. The term "personal computer" was first mentioned by the media. Richard M. Nixon lost the California governor's race. In his concession speech, he states that this is his "last press conference" and that "you won't have Dick Nixon to kick around anymore".

Doesn't all this bring back memories? If so, consider being on our 50th Anniversary Celebration committee.

Laura

WE NEED YOUR HELP!

IT IS TIME TO THINK ABOUT THE 2011-2012 OFFICER POSITIONS

We need people to step up and volunteer for positions in the club. Working as a volunteer for the club is fun and rewarding. It gives one an opportunity to meet so many new friends.

**Would you like to be a part of the Torrey Pines Board?
What positions are you interested in holding for the 2011-2012 year?**

Please submit your name, address, phone or email to anyone on the TPSC board or send your information to our Torrey Pines address: Torrey Pines Ski Club, PO Box 82087, San Diego CA 92138-2087. (torreypinesski@aol.com).

Time To Plan For 2012 Skiing

As we complete another fantastic year of skiing, we can look back on some great experiences and wonderful memories of sunny days, fresh powder and lots of fun. Mammoth has the best snowpack in many years. Aspen is a delightful place to visit, live and ski.

Now is the time to start planning for the 2012 season. We will probably have two Mammoth trips similar to the ones this year. I need input from all you skiers about where you would like to ski next year.

- Where do you want to go?
- Should we fly or bus to the ski resort?
- How many days?
- Do you want to stay in a condo or hotel?
- If a hotel, would you like a European dining plan (breakfast and dinner)?
- Is there a preferred price range?
- What is the best time? month? week?

Please tell me or any Ski Committee Member where you want to ski next year. In April we meet with travel agents and begin to plan trips. Thanks to everyone who supported our ski program this year.

I loved my recent trip to Aspen with the Torrey Pines Skiers. I am a non-skier, and I had a wonderful time. Aspen has a city program whereby an Aspen local adopts a tourist and escorts the tourist around the city. My local turned out to be the Mayor of Aspen, Mick Ireland. He took me to Aspen Mountain in a Gondola, and the view was amazing. If you are a non-skier, please consider a Torrey Pines ski trip as a winter vacation. In Aspen there were tours such as the past and present history tour of Aspen, a historical tour of Aspen's Victorian homes, and a trip to a long ago mining town in the mountains with a sleigh ride to a great restaurant for lunch. Instead of only downhill skiing, cross country skiing or snowshoeing is also available. This is similar to walking and is fun!

Why Purchase Travel Insurance?

Travel Insurance Policies compensate for a variety of problems. This can include injury and medical costs, evacuation, trip delay, lost or delayed baggage and trip cancellation due to circumstances affecting the traveler or traveler's family. The premium varies widely depending on the age of the traveler, cost of the trip and type of coverage purchased but many plans are in the \$50 to \$150 range. Most travel insurance can be purchased up to the day before trip departure. However, if coverage of pre-existing conditions is desired, it must be purchased with 10 to 15 days of your first payment for the cost of the trip. So, if you have a condition which could ultimately prevent you from travelling, you should immediately begin to investigate travel insurance plans before making the first payment. There are many on line independent companies that offer travel insurance or you can always check with your travel agent or Tour Company.

Racing Stripes

The San Diego Alpine League takes part in FWRA sanctioned Slalom and Giant Slalom races and all Torrey Pines are welcome to participate. All you need to do is fill out the necessary release and membership forms and show up to check in and then race. The club will take care of your membership and race fees. Most races are planned for Saturday and most will be at Mammoth.

TRIP RULES

- 1. RESERVATIONS.** A check for the full amount required, received by the trip captain, is a request for a reservation. The trip captain will make the initial count five days after the flyer postmark. Directors of the board and Officers will be given priority if they inform the trip captain before the initial count. If there are more checks than seats available, checks will be drawn at random until the trip is filled. The trip captain will strive to reach a 50-50 male-to-female ratio. Couples should send their checks in together and they will be drawn as a pair. All participants must sign a release before departure.
- 2. CANCELLATIONS & REFUNDS.** In the event of your cancellation, a refund will be made only if the seat vacancy is filled or if monies are recovered by the club. There also will be a non-refundable cancellation fee for all cancellations whether or not your spot is filled as follows: \$10 for trips up to \$100; \$20 for trips \$100 - \$300; \$30 for trips above \$300. **There will be an additional \$20 charge for any returned checks.** All departure times, locations, lodging, and other travel arrangements are subject to change without notice.
- 3. WAITING LIST.** On ski trips, those on the waiting list due to the lottery will be accorded priority seating on the trip announced in the following flyer if they inform the trip captain before reservations are confirmed, i.e., the fifth day after the mailing of that flyer.
- 4. CHECKS.** Checks will be destroyed from those not going on that trip due to being on the waiting list.
- 5. CONFIRMATIONS.** You MUST call and confirm your status with the trip captain UNLESS a SASE (self-addressed stamped envelope) is requested in the trip write up. You MUST include your work and home telephone numbers with your check.
- 6. GUESTS.** Guests who are sponsored by a member are allowed on trips. TPSC members have 5 days priority after the newsletter announcement to sign up for a trip. After 5 days, members may sign up one guest by including an additional amount on their check as follows (unless otherwise noted): for trips under \$50, there will be either member priority or a guest fee; \$10 for trips costing \$50-\$100; \$35 (cost of membership dues) for trips costing over \$100. Guests, like members of TPSC, must be at least 21 years of age and agree to the club "General Release and Waiver."
- 7. EVENT GUESTS:** Members and guests not on the event/trip and who join a happy hour and/or dinner will be charged \$8.00 per person per occurrence for the happy hour; \$20.00 per person per occurrence for the dinner or combo happy hour/dinner.

SASE = (Self Addressed Stamped Envelope)

The board has adopted a trip policy wherein an increase of up to 10% can be added and will not constitute grounds for cancellation without penalty. This is due to fluctuating airline costs. **TRIP INSURANCE IS NOT REQUIRED, IT IS STRONGLY RECOMMENDED**
