### President's Corner

**HELLO EVERYONE,**

I've just returned from the joint trip with North Island Snowdrifters to Keystone, Colorado. The snow gods looked upon us with favor and we had snow almost every night and a couple of days also. Needless to say the skiing was excellent, the best in years. All three areas we skied (Keystone, Breckenridge and Arapahoe Basin) offered good skiing on all levels for everyone. We had a few injuries but nothing serious. The trip was a great success.

We will finish the ski season at Mammoth which finally has been getting snow. We need your input for the fly away trip for next year (2016). North Island has suggested going to Copper Mountain in Colorado. What is your wish?

Don't forget to volunteer for our club positions. We need a Vice President, Meetings person and someone to help with Marketing.

Let's all get together and help out at the Far West Ski Convention this June at the Town and Country Hotel.

*See you at the events.*

*Joe*

### Ski Report

We have begun planning for the 2016 ski season. The Mammoth trips will most likely be joint trips with Don Diego Ski Club so we can share the bus and have some events together. We expect the fly away trip to again be with North Island Snowdrifters.

**We need to know where your favorite out of state destination is.** Some of the areas being considered are Big White Canada, Big Sky Montana, Colorado and Utah resorts. Please tell a member of the Ski Committee your preference.

### Day Bus Tours

**BEHIND THE SCENES AT THE L.A. TIMES AND  
WALT DISNEY CONCERT HALL TOUR  
THURSDAY, APRIL 30, 2015**

**MEMBERS - \$53.00 NON-MEMBERS - \$57.00**

The bus is rolling again. Join us for this fascinating behind the scenes tour of the Pulitzer Prize winning newspaper operation at one of largest newspapers in the U.S. We will tour the main headquarters, learn the history, tour all of the departments (photography, editing, etc.) and the test kitchen. We will also tour the huge printing presses, robotics, packaging departments in their large warehouse a few blocks away. We will have lunch in the L.A. Times Cafeteria (on your own). After lunch and L.A. Times tours, we will go by bus to the beautiful Walt Disney Concert Complex. Designed by architect Frank Gehry, Walt Disney Concert Hall is an internationally recognized architectural landmark and one of the most acoustically sophisticated concert halls in the world. There will be a one hour tour of this complex (not the auditorium).

We will have University City and North County pickup locations. This trip will include the three tours, transportation on a large bus with a bathroom, drinks, snacks and lots of fun. This is a real bargain - the L.A. Times Tour as well as the Disney Hall tour. We need 35 to make the trip go, sign up quickly. We will open it to other ski clubs on April 5. Please send your check made out to TPSC to:
