President's Corner

Eileen Frame has been an active club member for about 25 years. She has been our Meetings Director, Biking Director and Recording Secretary. She has also led ski trips, organized Boogie Boarding groups and is currently the contact person for Beach Bunch.

Eileen grew up in Wheeling, West Virginia and attended a small high school, Warwood, that doesn't exist now after consolidation with another school. Upon graduation, Eileen went into the Wheeling Hospital Nursing Program and spent the next several years working there as a nurse. Eileen wanted to live near the beach and moved to Florida. She worked at several hospitals in the Fort Lauderdale/Miami area and also received her AA degree from Broward

Community College. After 12 years in Florida, Eileen decided to drive cross-country to San Diego where she could have the beach and mountains. Once here she went straight west on I-8 to Ocean Beach, found a place to live and started looking for a job. She worked mostly at Alvarado Hospital and spent some time at Scripps Green Hospital. Eileen retired after 40 years of nursing working in the ICU.

Eileen tried skiing once at a small area in West Virginia but really got involved while living in Florida. Her first trip was to Mont Tremblant in Quebec, Canada with a church group. She has been on trips all over the United States, including Mammoth with ski clubs.

Join Eileen and the rest of us on alternate Thursday evenings at Sunset Point for Beach Bunch. Check the newsletter or web for details.
