46th ANNIVERSARY
1962-2008

President's Corner

HI EVERYONE

We certainly had a great turn out and interesting speaker for the January Meeting. Many of you let us know and we appreciate the feedback. Our February meeting will be lots of fun – we are celebrating Mardi Gras because our meeting is on February 5, Fat Tuesday. We hope you will come with your mask and/or costume. Beads will be distributed so come ready for a great time.

To all of our **cross country skiers**—did you know that cross country skiing is available at Mammoth? As we all know, the ski season at Mammoth is lining up to be a great one so contact **Bela Kozak** ASAP if you are interested. All of this information is in the article on this page for Mammoth. Breckenridge is full but no wait list, so if you are interested be sure to send your check to **Marilyn Roland** in case she has a cancellation.

We want to thank **Laura Meldrum** for her recent updates to our wonderful website. There are several new and exciting additions—the membership application is available and the newsletter is also on the website in case you misplace your copy or need to check something. The web address is at the top of this newsletter – check it out.

The January Senior Monday event at the Reuben Fleet Science Center was such a success that we are going to make it a monthly event. We will list the date and movie selection and whoever is interested can just meet in the lobby. We have between 8–10 people already signed up to attend the Far West Convention in Seattle which sounds like a lot of fun. See the article inside but also feel free to contact **Sue Sprouse** or myself if you are planning to attend or have questions. Our annual Padres game is set and tickets are available now - this always sells out quickly so be sure to send your check soon.

Looking forward to seeing you at the Mardi Gras celebration on February 5th.

Debbie

Mammoth Mountain Trip

SUNDAY, MARCH 9 TO FRIDAY, MARCH 14, 2008

PRICE: \$450.00

FINAL PAYMENT IS DUE NOW.

ATTENTION: CROSS COUNTRY SKIING IS AVAILABLE

Join us on our annual pilgrimage to Mammoth Mountain. Mammoth gets an average of 373 inches of snow annually and the weather tends to be a bit warmer in March than in January. We will be staying at the 1849 Condo's which everyone seems to enjoy with its short walk over to the Canyon Lift and access to the Village and downtown via the gondola.

We will depart San Diego on Sunday morning, March 9, by bus, with a pick up at the Sears Essentials parking lot at Convoy and Clairemont Mesa Blvd. as well as a pick up in North County at the Via Rancho Park and Ride. We should be settled into the condos in Mammoth just in time for a happy hour. The trip leaders are attempting to spark up our 45th Anniversary trip with a 1960's party. Please contact the leader if you might have any ideas for the party...old photos, memorabilia or anything else you might have from that era.

Lift tickets are not included in the price since many of you already have Mammoth passes. New this year is the "Cloud Nine Express" a high speed six person detachable chair opening up the old Chair 9 area. We will be skiing from Monday morning until around noon on Friday when we will again load up the bus for our return that evening to San Diego.

Please send your check made out to TPSC and mail to:

\$ 5.00 ENTRANCE FEE (FOR

Join us for Senior Monday at the Reuben H. Fleet Science Center in Balboa Park. The entrance fee of only \$ 5.00 includes a lecture at 12:30 PM on **Exploring Mars**. You may also enjoy all current exhibits and an Imax movie. Mars has always fascinated us, even though it is so far away compared to our Moon. In this lecture Dr. Philip Blanco will show you how technology is helping us answer some long-standing questions about the Red Planet. Was Mars once more "Earth-like"? Did it once support life, and can it today? What plans do we have for exploring, or even living, working and retiring on Mars in humanity's future?

The 2:00 PM movie will be **Antarctica**. The mysterious icy expanse of the highest, driest and coldest continent, home to penguins, seals and other exotic life forms, is explored in this 39 minute film.

*Programs are subject to change.

Although helmets are not usually required, they are strongly recommended for all our bike rides. We are always looking for volunteer leaders for the A and B rides. Please call Eileen Frame, chairman, if you are interested. 858-569-0962.

Saturday A rides - mostly flat

All Star Rides A and B are offered TBG = Thomas Bros. Guide followed by coordinates.

Please note in case of rain, call your bike leader listed above. Also the ride will depart 15 minutes after the meeting time.

Health and Safety

If your traditional approach to your ski season is not helping you get ready physically, then change what you are doing! The old thought process of getting on the treadmill a few weeks before the trip does little if anything to help you ski. The next time you get on that piece of cardio equipment or do a chest press, think about much benefit you are getting out of that particular exercise in relation to a ski slope.
