### President's Corner

**HELLO EVERYONE,**

Welcome to the New Year. According to the news from the local mountains, Snow Summit and Bear Valley have the best ski conditions in over two years. Mammoth Mountain has over four feet of snow on top and is 100% open. It looks like we have a great ski season this year. I recommend if you are interested in the March ski

trip to Mammoth you should make reservations immediately because the bus is filling up fast with Don Diego skiers.

Now is the time to become more involved with your club. This club functions because members pitch in and help lead activities and get speakers for our meetings. Don't be afraid to help out when asked.

*Best wishes for the New Year.*

*Joe*
