1962-2014**

### President's Corner

HELLO EVERYONE,

Our 2015 Ski season is taking shape. We are making progress with our joint bus trip to Mammoth with Convair/Don Diego Ski Club in January and have narrowed down the choice of an area for our joint fly away trip with the North Island Snowdrifters. These things will be resolved in about a month. More details in the ski article. I had the pleasure of closing out the ski season at Mammoth with eight inches of fresh powder.

Convair/Don Diego has invited us to join them on their weekly walks. Detail information can be passed on by way of email.

Plan on helping out at our summer outdoor meetings/pot lucks at Mission Bay with such things as cooking and clean up.

We have some great events lined up for the summer, consider - ethnic dining, happy hours, concerts, ball games, walks, tours and bike rides. Join in the fun and volunteer to help out.

*Thanks, Joe*

**FREE** tour of The **National Weather Service (NWS)**, once known as the **Weather Bureau**... it is a part of the National Oceanic and Atmospheric Administration (NOAA) of the United States government. The NWS is tasked with providing forecasts, public warnings, and other products to organizations and the public for the purposes of protection, safety, and general information. This is done through a collection of national and regional centers, and 122 local weather forecast offices. As the NWS is a government agency, most of its products are in the public domain and available free of charge.

The National Weather Service uses local branches, known as Weather Forecast Offices, to issue products specific to those areas. Some of the products that are only issued by the WFOs are severe thunderstorm and tornado warnings, flood, flash flood, and winter weather watches and warnings, some aviation products, and local forecast grids. Directions will be sent when I receive your RSVP.

- 1. RESERVATIONS.** A check for the full amount required, received by the trip captain, is a request for a reservation. The trip captain will make the initial count five days after the flyer postmark. Directors of the board and Officers will be given priority if they inform the trip captain before the initial count. If there are more checks than seats available, checks will be drawn at random until the trip is filled. The trip captain will strive to reach a 50-50 male-to-female ratio. Couples should send their checks in together and they will be drawn as a pair. All participants must sign a release before departure.
- 2. CANCELLATIONS & REFUNDS.** In the event of your cancellation, a refund will be made only if the seat vacancy is filled or if monies are recovered by the club. There also will be a non-refundable cancellation fee for all cancellations whether or not your spot is filled as follows: \$10 for trips up to \$100; \$20 for trips \$100 - \$300; \$30 for trips above \$300. **There will be an additional \$20 charge for any returned checks.** All departure times, locations, lodging, and other travel arrangements are subject to change without notice.

- 4. CHECKS.** Checks will be destroyed from those not going on that trip due to being on the waiting list.
- 5. CONFIRMATIONS.** You MUST call and confirm your status with the trip captain UNLESS a SASE (self-addressed stamped envelope) is requested in the trip write up. You MUST include your work and home telephone numbers with your check.
- 6. GUESTS.** Guests who are sponsored by a member are allowed on trips. TPSC members have 5 days priority after the newsletter announcement to sign up for a trip. After 5 days, members may sign up one guest by including an additional amount on their check as follows (unless otherwise noted): for trips under \$50, there will be either member priority or a guest fee; \$10 for trips costing \$50-\$100; \$35 (cost of membership dues) for trips costing over \$100.
