46th ANNIVERSARY
1962-2008

President's Corner

HI EVERYONE

I'm very honored that our Board of Directors has elected me to be the President of Torrey Pines Ski Club for the 2008-2009 season. I'm also a bit nervous. I hope I can do half the job that Debbie Schroeder has done. As you all know and have heard many times, our club is run by volunteers. Without volunteers there would be no club. So I would like to use this column to allow us to get to know some of our most active members starting with our immediate past president, Debbie Schroeder. Debbie was born and raised in Columbus, Ohio. She went to Brookhaven High School where she learned to ski as a member of her high school ski club. She tells me that after school they would drive an hour-and-a-half to a small ski area to ski on icy slopes. On graduation from high school, Debbie started college as an Education major at Ohio State University. The work

world called, so Debbie left college to begin a career as a legal secretary. Eventually the law office moved her to their Chicago office to become the HR Manager. In Chicago, Debbie was active in the Lakeshore Ski Club. While a member there, Debbie held offices as membership director and social director. She also met and married Hobe. On retirement in 1998, Debbie and Hobe decided to move to San Diego. Soon after their move, they joined us. Luckily for us, Debbie became very active in Torrey Pines. She has been Biking director, Council Rep, Vice-President, and President. Last fall we honored Debbie with our Women of the Year selection. The San Diego Council of Ski Clubs then chose Debbie from among the nominees of the San Diego ski clubs as the Women of the Year for our ski council. She will represent San Diego at the FWSA Convention in Seattle in June. Debbie and Hobe have been married 17 years and currently reside on Mount Soledad.

MEET AT COMMUTER TERMINAL

THURSDAY, JUNE 26, 2008

Most people have been to the San Diego Airport (Lindbergh Field) to catch a plane or maybe just to pick-up/drop-off someone, but you have probably never been "behind the scenes". Now is your chance. Join Brad and Louise for a "Tarmac To Terminal" Tour, led by an Airport Authority representative, for what should be a very interesting and informative event.

The tour is limited to 20 people. Security measures are enforced, so each attending person will need to bring ID (driver's license) and provide the following information to Brad/Louise by Friday, June 13th: legal name (as on driver's license), date of birth and the last four digits of your social security number.

We will meet in front of the Commuter Terminal at 9:30 AM. We will then board a VIP bus which will depart at 9:45 AM for Terminal 1 where we will start the tour. Parking will be validated and the tour is free. Breakfast/Lunch will follow the two hour tour.

**Please RSVP to Brad and Louise ASAP, with your security data, in order to confirm your reservation.

Flowers, Flowers, Everywhere

Art Alive in Balboa Park

Friday, April 11 a small but select group from TPSC attended the Art Alive demonstration held at the Museum of Art in Balboa Park. Floral aficionados had created arrangements echoing the color and/or design of their chosen picture. Many of us were inspired to duplicate some of the effects we saw later in our own homes.

Fun in Old Town

Friday night, April 25, TPSC members attended a Cygnet Theatre production "A Little Night Music" in their new venue in Old Town. The Sondheim musical was a bit puzzling at first but gradually became a delightful

production. Especially outstanding were the costumes, settings and especially the comic performance of Randall Dodge playing Count Carl-Magnus. The highlight of the evening was the pre-theatre dinner enjoyed on the outdoor patio of the **Living Room in Old Town**. With the good food, reasonable prices, lovely setting, and live music this spot proved a great success.

Health and Safety

How many calories do you have to burn to lose a pound of weight?

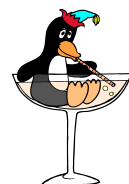

(Answer) About 3500. Try to eat 100 fewer calories a day for 35 days, or 500 fewer calories for seven days, or walk briskly for an hour a day for 22 days. You can do a combination of two of these by eating less, and moving more. The rule is "Calories in = Calories out." If you take in more than you burn, you gain weight. (From WebMD)
