JUNE 2014

**52<sup>nd</sup> ANNIVERSARY  
1962-2014**

### President's Corner

**HELLO EVERYONE,**

The Mountain Travel Symposium held in Breckenridge this year was very informative and lots of fun. We had great late year snow. We received some tips about improving our ski clubs particularly about increasing and retaining our membership. We were able to look at several resorts that would be appropriate for our joint fly away trip with the North Island Snowdrifters.

We are working with Convair/Don Diego Ski Club to share a bus to Mammoth next January 11-15. We agreed to do this and work up some joint events. We may share a bus with them in March if the January trip works out and the time doesn't conflict with the fly away trip. I've invited Convair /Don Diego to join us at our August meeting. Plan to attend the June events and the Padres game on June 21. We can always use more volunteers to help with the meetings. Thanks go to Jeannie Shupala for providing the June speaker.

*Keep the good times rolling. Joe*

### 2015 Ski Season

**January 11-16, 2015 Mammoth-** Joint trip with Convair/Don Diego Ski Club. We will stay at 1849 Condominiums and they will stay at the Best Western across from Footloose. We will have happy hour and are planning a joint dinner with them. The cost will be determined and the details are being worked out.

**January 31-February 7, 2015-** Far West Ski Association Ski Week at Whistler/Blackcomb. See Alan Godwin (San Diego Council of Ski Clubs travel person) 619 664-6626 [alan@skiclub.us](mailto:alan@skiclub.us) for details.

**February-March 2015-** The fly away trip with North Island Snowdrifters is being planned. We have requested cost estimates for Vail, Breckenridge, Steamboat Springs, Telluride and Big White in Canada. Site and time should be selected by early July.

**March 2, 2015- Mammoth** trip time will be determined after the fly away trip is planned.

Dave Roberts will be here to fill us in on Pirates and the exhibit at the Natural History Museum.

The Real Pirates of the Caribbean...The stories behind the Golden Age of piracy are explored without the Hollywood hype or inventions. From Drake the explorer turned pirate... and then back to knighted gentleman, to the feared Captain Roberts, aka, Black Bart. Yes, Dave is a direct descendant. In 1717 valuable cargos were being shipped across the Atlantic. Sam Bellamy and his crew captured the slave ship Whydah on her way to England, laden with gold and silver.

A storm sent all to the bottom of the sea. Dr. Dave has worked as a Government scientist throughout Panama and Central America. He gathers stories of the people and now shares all of his wonderful experiences with audiences.
