### President's Corner

**HELLO EVERYONE,**

Last month I misinformed you all about the snow conditions at Mammoth. My article was based on a snow report that was published at Mammoth before Christmas with a new storm. This report was not revised at the time I wrote my article and the warm weather and lack of snow caused the snow conditions to

deteriorate. By the time we got up there the snow conditions were poor. I apologize if I misled anyone.

Even if the snow was not plentiful we all had a great time skiing and enjoyed the parties and social activity with Don Diego Ski

Club. Remember to sign up for the March 8-13 trip since we are competing for seats on the bus with Don Diego Ski Club.

There is also one spot left on the February 25 trip to Keystone for a male. If any of you guys are interested, sign up immediately before someone else gets the spot.

We are already starting to plan for the 2016 ski season. If you have a favorite resort for a fly away trip please let me know.

We are also planning for the future and need some volunteers for the following positions starting next June: Vice President, Meetings and Marketing. Please see me if you would like to help out.

*Don't forget the bowling. Joe*

A long-time Point Loma resident, Elke Ertle grew up in Berlin, Germany, during the Cold War. In her memoir, *Walled-In: A West Berlin Girl's Journey to Freedom*, she juxtaposes the political turmoil that focused on Berlin during the 40s, 50s and 60s with her equally insurmountable parental walls. "I was an only child and my parents were very strict. You might say they matched American preconception of typical Germans," she winks. To glimpse the first 20+ pages of her story, visit her website, [www.walled-in-berlin.com](http://www.walled-in-berlin.com).
