1962-2011**

President's Corner

In early May a meeting will be scheduled for all San Diego ski club presidents and travel directors to discuss the coordination of ski trips. The plan is to coordinate ski trips between two or more clubs in such a way that trips can be more easily filled. Hopefully, some of our future ski trips will become joint ventures.

Apparently similar meetings have been held before and ended up as a big party without any results. Therefore, the SDCSC decided to stop holding them. During a recent council meeting I objected to that and told the council that TPSC has problems filling so called fly away ski trips to Colorado, for instance, and that we would like to look into

joint ski trips with other clubs. To my surprise all of the other council clubs, except Action Ski Club, are in a similar situation and even indicated that they have problems filling trips to Mammoth.

Times have changed and as we get older. Fewer people are inclined to ski. All San Diego ski clubs are in a similar position. Joint ski trips, which a few years ago seemed impossible to organize, might now become the future trend. Let's hope that the next meeting will be productive.

We just came back from a great ski trip with friends from Oregon to Heavenly at South Lake Tahoe. It would be nice if TPSC could combine a skiing and sightseeing trip to that area.

Time To Plan For 2012 Skiing

As we complete another fantastic year of skiing, we can look back on some great experiences and wonderful memories of sunny days, fresh powder and lots of fun. Mammoth has the best snowpack in many years. Aspen is a delightful place to visit, live and ski.

Now is the time to start planning for the 2012 season. We will probably have two Mammoth trips similar to the ones this year. I need input from all you skiers about where you would like to ski next year.

- Where do you want to go?
- Should we fly or bus to the ski resort?
- How many days?
- Do you want to stay in a condo or hotel?
- If a hotel, would you like a European dining plan (breakfast and dinner)?
- Is there a preferred price range?
- What is the best time? month? week?

Please tell me or any Ski Committee Member where you want to ski next year. In April we met with travel agents and began to plan trips.

SKIERS - We will have a five minute session during the May General Meeting to find out the most preferred place to ski for 2012.

Thanks to everyone who supported our ski program this year.

**Iconic Harbor Drive
Pedestrian Bridge Walk**
MEET AT SD SANTA FE DEPOT
SATURDAY, MAY 14, 2011
9:45 AM

Bring money for transportation and lunch downtown.

If coming from Old Town, take the 9:30 AM Blue line Trolley.

We'll start at the San Diego Santa Fe Depot South Patio (TG 1288 J3).

We'll stroll through the City for about 1.5 miles down to the new bridge, enjoying the sights along the way. This is no ordinary bridge. One of the bridge designers is the famous architectural firm Ty Lin International. It is one of the longest of its kind in the world and has a 130-foot center angled pylon. Iconic!

After the traditional group photos on the bridge, we'll move to a nice restaurant nearby for a group lunch. Then it's back on the Trolley to the Santa Fe Depot and/or Old Town by mid afternoon.

On The Lift With Laura

Vonnie Varner has played a large part in organizing several of our successful activities. Vonnie was born in Lincoln, Nebraska but her family moved to San Diego right after she was born. She grew up in Crown Point, graduated from Mission Bay High School, and then San Diego State University. Her degree is in Biology with emphasis in Ecology and Microbiology. She applied and was granted an interview with Scripps Institute of Oceanography but, when they met her, they thought Von was a boy's name and, "A woman will never be on a Scripps Research vessel."

Vonnie went back to school to get a teaching credential and got a job at Castle Park High teaching Business English, Typing, and Homemaking, but not Biology. After all, the sciences were for men.

After two years Vonnie left to become a stewardess with American Airlines. During this time she lived in New York City and San Francisco. She met her first husband on a flight. While married she lived in Detroit, near UC Davis, and finally La Jolla.

As a single mom, Vonnie taught Ethnic Art classes for the SD Community College District at facilities in the Pacific Beach area and she says she became a real hippie.

Vonnie's last career was as a real estate broker. She bought, sold, and built real estate. On retirement, Vonnie decided to go into public service. She completed stints on the Pacific Beach Zoning Board, the Business Improvement Association, and the Town Council. While President of the Town Council, Vonnie developed the Street Tree Master Plan for Pacific Beach. She says that she finally got to use her biology degree.

Vonnie learned to ski while in college. A friend started the Aztec Ski Club and asked Vonnie to serve as Vice President and organize ski trips for the club. It grew to 500 members and most, like Vonnie, did not know how to ski when they joined. Her very first ski trip was to June Mountain. She also remembers a particularly exciting trip to Alta, Utah. Vonnie continued to ski until she got married.

She joined Torrey Pines several years ago to go on the trip to Belize and started enjoying many of our other activities. She met current husband, Roy Martins, on a club trip to the Del Mar Race Track. Vonnie now lives in San Diego's North County and volunteers for the San Diego (formerly Quail) Botanical Gardens, happy that she can use her Biology degree again. Together Vonnie and Roy have hosted club Christmas parties and led numerous walks. Don't miss their "Iconic Harbor Drive Pedestrian Bridge Walk" on Saturday, May 14.
