### President's Corner

#### HELLO EVERYONE,

Hello Everyone,

March concluded our ski season. The two trips during March were great, with good snow, good people and lots of fun. The joint trip with the North Island Snowdrifters to Winter Park was a major success. Twenty-nine people attended with only one injury.

The Torrey Pines Mammoth trip had only four skiers...a disgrace to this venerable ski club. If we can't get better participation we will have to end these trips. We had over 12 inches of fresh snow the week we were at Mammoth and lots of sunshine and warm weather when it wasn't snowing. There is no reason these trips can't be better attended. We have reserved the four BR, three BA units at 1849 again for January 4-9, 2015. Start planning to attend today.

Be sure to attend the upcoming events like the ranger walk, bocce ball, map museum, pops concert and nature photographer.

We need volunteers to help with the monthly meetings and events so please come forward and help out.

*Thanks, Joe*

### 2015 Ski Season

Now is the time to start thinking about the 2015 season. We will no doubt plan two Mammoth trips. What we need to know is where you would like to go for the fly away trip? Maybe Vail, Breckenridge or somewhere in Utah or British Columbia. Please let us know. Tell a member of the ski committee where you would like to go for our 2015 fly away trip.

### HELP WANTED!

We all like to have fun. We really need all of your help with activities for this club. We need ideas and we need volunteers to lead events to keep up the fun. There are lots of fun things to do in San Diego especially as the summer months approach. Please contact Debbie Schroeder or any board member with an idea and/or your event to lead. Thank you

### Time to think about the 2014-2015 TPSC Officer Positions

Working as a volunteer for the club is fun and rewarding. It gives one an opportunity to meet so many new friends. We would like you to be a part of the Torrey Pines Board. What position are you interested in holding for the 2014-2015 year?

Please submit your wishes to anyone on the Board or President

Did you ever want to hold a whale "louse" in your hand? Actually hold a vertebrae from a gray whale? Find out what the baleen "feels" like? If so, join us for an informative and fun session with volunteer whalers, Judy Peacock and Emilia Bradler from the San Diego Natural History Museum. They will be on board to share their tales of gray whales and other marine mammals that live in our own backyard.
