**NOVEMBER 2010**

**48<sup>th</sup> ANNIVERSARY  
1962-2010**

### **President's Corner**

The October meeting at the new location in Mission Valley at the Handlery was a wonderful event. Juergen played some of his favorite German songs on the accordion and he got the audience to sing along. We even managed to play a couple of songs together on two instruments. The Handlery had brought in Karl Strauss Oktoberfest beer and they were very accommodating with setting up the room and giving us free parking. The singing lasted longer than our typical meetings and most of us went home well past 8:00 PM, after finishing the evening with the song Auf Wiedersehen.

For the November meeting we were able to get a speaker who has climbed Mount Whitney 86 times. His goal is 100. Jack Northam and his wife were written up in the UT and he agreed to share his experience with us. Jack, at 63, is believed to be the oldest hiker to go up twice on the same day. Maybe we can learn how to stay fit and active.

We are happy with the last minute switch to our new location at The Handlery Hotel. The switch happened just in time to change the back page of the October newsletter with the meetings announcements at the printer's office.

6:00 PM Social – 6:45 PM Announcements – 7:00 PM Program

We are very fortunate that Betsy and Jack Northam will share their passion for hiking with us in an audio-visual program. They recently have been written up in the UT in a lengthy article. Jack has hiked 14,505 ft Mount Whitney 86 times and is believed to be the oldest climber to do it twice in one day (44 miles).

Come and find out what it takes to stay in shape like that.
