**OCTOBER 2008**

**46<sup>th</sup> ANNIVERSARY  
1962-2008**

### President's Corner

There's one member of our club who makes it her business to see that everyone feels welcome. Well known for organizing our monthly Happy Hours, **Janet Hanson** says that her purpose in life is to "make people happy and joyful."

As a kid Janet lived in St. Paul, Minnesota; Westchester County, New York; Tokyo, Japan; and ended up back in St. Paul where she graduated from Central High. From high school, Janet went to work for West Publishing Company and later Remington Rand Corporation.

After marrying, she moved to Lansing, Michigan, where her two kids were born. While living in Lansing, Janet worked for Hager-Fox, a small home center store. Eventually her family moved back to Minnesota and since her son was a hockey player, Janet became a "Hockey Mom." During this time in Minnesota, Janet found the job that would suit her best until retirement; she became a receptionist in a dental office.

Janet moved out here to Southern California after her children had grown and she and her husband had separated. While working as a

receptionist at a local dentist office, Janet got to know an amiable guy named Harrison Wreden, who represented a dental lab and came in often. Then one day Harrison stopped coming by and Janet wondered what had happened to him. Two years later Harrison and Janet ran into each other at an outdoor concert. Though glad to see each other, nothing more came of that meeting. But fate didn't give up. Soon after, they ran into each other at the supermarket. Throughout all these years a true friendship had been nurtured and from here, it blossomed. But their friendship was purely plutonic for several more years. Finally, on April 27, 1996, Harrison and Janet were married. Although not members of Torrey Pines at this time, long time club members Louise Oliverio and Steward Smith stood up with Janet and Harrison. Janet and Harrison became club members about 8 years ago in 2000.

Join Janet at one of the Club Happy Hours or at the next Club Walk that Janet organizes with her long time friend Louise, or at the San Diego Air and Space Museum visit that Janet has planned for October 28.
